

# glister™

Glister™ product portfolio promotes oral health and has **easy-to-understand** system with proven ingredients.

**Glister™ Multi-Action Fluoride Toothpaste** contains patented REMINACT formula, which redeposits minerals in tooth enamel.

The toothpaste contains a **scientifically-proven active ingredient** to fight plaque and early dental decay.

**Glister™ Concentrated Anti-Plaque Mouthwash** helps kill bacteria that cause bad breath and helps remove more plaque than brushing alone.

**Glister™ Mint Refresher Spray** features a sweet and refreshing mint and anise flavour to help overcome food and tobacco after taste. It fights bacteria and provides long-lasting fresh breath on the go.

**Glister™ Advanced Toothbrush's** patented In-Mold Technology features thinner head, and more tufts per head. Its uniquely-designed handle and head that massages the gums, providing comfort, control and reach to effectively clean between teeth and at the gumline.

glister™  
Exclusively from **Amway**

## Features

- 1 Glister™ Multi-Action Fluoride Toothpaste** has exclusive **Reminact™ Formula** that promotes remineralization.
- 2** Whitens teeth without bleaching, enamel **safe-cleaning** agent
