**TERMS & CONDITION:**

- This program aims to support ABO Business Builders (Requestor) as a tool to promote agriculture products through demo farms which can also be showcased during your farmers' meeting.
- Requestor must fill out & sign the Product Demonstration form and submit it together with actual farm photo to Amway Agri Trainers. Upon submission, site inspection will be conducted.
- Farm must have a minimum area of one (1) hectare within a strategic location.
- Once application is approved, requestor must pick-up the demo products at the nearest My Amway Place and use it according to recommended application guided by Amway Agri Trainers.
- Requestor is required to provide necessary documentation of the crop growth, the quality and quantity of yield.
- Amway has the right to reject request on the ground of demo farm application limit or misdemeanor.
